

CLS COMMUNICATION

mes Your message matters sage

Innovation in global communication solutions

The challenges of your industry grow increasingly complex every day – and professional, timely communication is crucial. At CLS Communication we offer a full range of language services optimised with precision-engineered processes and innovative language technologies. And our established international presence means you can rely on our full range of services 24 hours a day.

CLS Communication has outstanding industry-specific expertise in the following industries: banking and finance, life science, insurance, consultancy, legal, telecoms, and selected other sectors. Our language specialists meet linguistic standards of the very highest level within a state-of-the-art secure IT environment. A dedicated team will manage your project throughout the product cycle using a range of language technologies to ensure you receive a first class product on time.

ONE PROVIDER, A HOST OF SERVICES

The services we offer include all aspects of corporate communication. With our comprehensive language solutions, CLS Communication can design and manage all aspects of a project, or you can simply avail yourself of the individual services we offer. By letting us take care of your communication needs, you benefit from our centralised expertise and can focus on your core business.

COMPREHENSIVE LANGUAGE SERVICES

We offer our clients a wealth of language solutions and communication services:

- Copywriting
- Editing
- Translation
- Proofreading
- Desktop publishing
- Terminology
- Machine translation
- Project management
- CMS and DMS integration
- Business process outsourcing

IN-DEPTH SPECIALISATION

Do you need a proficient language partner familiar with developments in your industry? At CLS Communication, our language professionals have in-depth sector knowledge, gained through direct professional experience and ongoing training. As one of the leading global language service providers based in Europe, we deliver a wide variety of specialist texts for major firms in all key industries.

SECURE INFRASTRUCTURE

When you deal with sensitive information, issues of confidentiality and IT security are of the utmost importance for you and your clients. Our IT infrastructure and audited processes have been honed over many years and allow us to protect even your most sensitive communication. Companies and institutions all over the world put their trust in us to handle data of all levels of confidentiality.

KEY ADVANTAGES

Your key benefits of using CLS Communication as your language partner:

- Language specialists with in-depth knowledge of your industry
- Round-the-clock service thanks to our strong global presence
- A secure IT environment that protects sensitive data
- State-of-the-art language technologies to increase efficiency and optimise resources
- Having us handle your communication needs so you can focus on your core business
